ETD Worktype

Hyku for Consortia, 1/29/2021

Types of materials

- Text
    - PDF, Word, EPUB/MOBI for download
    - PPT
- Dataset
- Still Image
    - JPEG, PNG, GIF
- Audio
    - MP3
- Moving Image
    - MP4
- We do not anticipate using other types/file formats at this time
- A single work may have more than one of the associated types above
    - Example: a PDF with accompanying spreadsheet of data

Relationships with other ETD objects

Works can be directly related to each other:
- Via membership in the same collection(s)
    - Collections based on discipline, organization, etc. can be created, but are also captured in specific metadata properties
- Through a parent/child relationship
